

Cereal Box Book Project

You may choose any fiction book you like for this project.
The important thing is that you reuse a cereal box!!

1. Cover the box in paper by wrapping the box like a present.
2. Draw and color a scene from the book you chose. The picture should have the title of the book somewhere on the picture.
3. Write or type a summary of the story and place it under the picture.
4. Give your cereal a name that is related to the story and place it on the box.
5. On one side of the box please list the characters in the book.
6. On the other side of the box write a review of the book. This is your opinion about the book.
7. On the back create a game that goes with the book. This could be a crossword puzzle, word search or a board game of some sort that has to do with the characters or events from the story.
8. HAVE FUN and be CREATIVE!!!!

These are due May 7th!
